ALL MOUNTED RIDERS MUST wear boots, approved ASTM/SEI helmets regardless of competition level, and age, and shirts with collars and sleeves. All classes will be held in outdoor standard size dressage arena, 20m x 60m – rain or shine. Warm up will be held in outdoor arena (188' x 88') and indoor arena (210' x 60'). **Please no trainers in the warm up ring and pass left shoulder to left shoulder.** Lunging is not permitted in the outdoor warm up ring and is to be done in designated grass areas or round pen. Current negative Coggins and vaccination record within the last 12 months of show date **must** be provided to Dream on Farms (DOF) with show entry. If you choose to attend multiple DOF shows you will only need to provide a copy of your negative Coggins once, unless it expires during the season. **Full payment, Coggins, vaccination record, and all signatures of rider, owner, and parent/guardian (for Juniors), are required with entry.** Late fee of \$10 is required for all entries not received by closing date. Pending number of entries a wait list may be established (prior to close date) and late entries may be placed on a wait list. Returned checks will be assessed a \$30 fee.

Ride times will be emailed no later than Thursday before the show or available at www.dreamonfarms.com. Management reserves the right to limit class size and in the event of many entries a wait list may be established prior to close date. Classes may be split in multiple divisions (JR/YR, Adult Amateur, or Pro) pending the number of entries. Special requests for ride times are not guaranteed and may not be honored.

JR/YR, AA or Pro division: DOF follows the definitions established by the USEF and FEI (the organization that establishes rules for international competitions). The USEF defines a junior as “an individual who has not reached his 18th birthday as of December 1st of the current USEF competition year.” In other words, if a rider was still 17 on December 1st, 2018, s/he gets to show as a junior until December 1, 2019. The FEI recognizes dressage riders aged 16-21 as “Young Riders”. This age group is based on the calendar year instead of the competition year. In other words, these riders are identified as “Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach the age of 21.” For all practical purposes, many dressage shows (both schooling and recognized) will offer a combined Junior/Young Rider division for riders 21 years old or younger. **If a rider turns 22 in 2019, s/he can no longer show as a JR/YR.** When 18 year old riders joins the USEF, they have to declare themselves as either an amateur or a professional. Professionals are basically defined as individuals who have accepted payment for teaching, training and/or riding horses. (For further details see USEF rule book GR1306). Those who are not professionals can show in Amateur classes. If you have any questions about your status as a junior/young Rider, amateur or professional, please contact the show secretary. **Please indicate on entry form if you are a JR/YR, AA or Pro. If you are 21 or under in 2019 you can compete as a JR/YR.**

Scratches and Refunds: Show Secretary should be notified immediately if you cannot attend so that people on the waiting list can be contacted. Contact shows@dreamonfarms.com or 440-454-4709. Full refund less office fee if the secretary is notified before the closing date. After closing date, ½ of entry fee less office fee with a veterinarian (horse) or doctor (rider) certificate OR if ride times can be filled from waiting list. In the event of the cancellation of a show due to extraordinary circumstances, refunds will be issued and riders will be notified of cancelled show.

A horse-rider combination may enter a maximum of 3 classes (not counting equitation). A rider may bring more than one horse and the horse may be ridden by more than one person, but there will be a maximum of 4 rides per horse at Introductory and Training Level. At First Level and above, a horse may compete in a maximum of 3 classes. Horses may only be shown at two consecutive levels. No horse may be ridden twice in the same class with the EXCEPTION of the Intro Amateur Division. **High Point:** High point ribbons and prize will be awarded at each show for the high point rider in Intro Level, Training Level and above, and Western Dressage **thanks to our generous sponsor Equine Essentials.** (Equitation tests are not part of the high point awards).

Equitation – Classical Dressage Seat Equitation: evaluates the rider’s position, seat and specifically the correct and effective use of the aids required by Training and First Level Dressage tests. Movements from those tests may be requested and judged. **Western Equitation:** evaluates the rider’s position, seat and specifically the correct use and effective use of the aids. Movements from Basic Level and Level One may be requested and judged. Will be held as a group class similar to the Classical Dressage Seat Equitation class and the WDAA equitation classes will not be offered. (see Dressage Seat Equitation test – rules and regulations).

***Academy Division** – eligible to only those riders with **limited riding experience** (JR/YR or Adult Amateur) on school horses (or horse they take lessons on no more than twice a week). They may not have shown over fences, or in any canter class at any organization’s show (exception Intro C), or at training level or above. Throughout the show series they may ride on a different school horse and still be eligible for the championship show in the Academy Division. Academy Division will consist only of classes Intro A, B and C but at the championship show the test for the Academy Division will be Intro Test B. This division will only be offered at the Intro Level and riders in this class will be placed separate from the regular Intro Division open to JR/YR, Adult Amateur, or Pros. Competitors may not cross enter into the other divisions (Open Intro [at DOF show], Dressage Seat Equitation, Training Level and above) and if opt to show in any of those classes the rider will be placed in the Open Intro Level Division rather than the Academy Division. Once a rider competes at the Dressage Seat Equitation level, Open Intro (at DOF show), Training Level or above, over fences, or in any canter class at any organization’s show, or have 5 scores of 65% or above they are no longer eligible to compete in the Academy Division.

Championship: To qualify for the year-end championship show same horse/rider combination must earn two qualifying scores of 60% or higher (Intro to First Level - classical or western dressage) or 58% and higher (Second and above – classical or western dressage) at any 2019 DOF show in the same level to compete in that level at championships. A horse may qualify with two different riders. However, the riders must be showing in different divisions in the championship (exception Academy Division). Only the same horse/rider combination who qualified is eligible for the championship; you may qualify in multiple divisions with qualifying scores earned for each division. No substitution of horse or rider is permitted, with the exception of equitation divisions or Academy Division in which a horse may be substituted. Competitors will ride one test, which will be the highest level test for their division (Intro will be test C). **EXCEPTION:** The test for Academy Intro division will be Test B. **Championship scoring:** Championship awards will be based on the score earned at the championship show. Classes are pinned through tenth place and trophies will be awarded to champion and reserve champion, **thanks to our generous sponsor Sunnyside Toyota.** Pending the number of qualifying rides for the championship show a warm up class (regular class fee) prior to your championship ride may be offered – to be determined after August show.
